Do you attend worship / participate in the life of a congregation? If yes, which one?

Are there any siblings or other family members you would like us to name or include in the service?

Thinking about Baptism as a Sacrament

Why are you requesting baptism for your child at this time?

What plans do you have for helping your child grow in the Christian faith and to deepen their commitment to being a follower of Jesus?

Godparents are not required in The United Church of Canada, however you are welcome to invite Godparents to participate as witnesses and companions on this faith journey with your child. If you would like to include Godparents for your child, please list them below:

If you and your child are not able to be part of this congregation on a regular basis, in which Christian congregation will you/they be participating, to receive ongoing spiritual nurture and pastoral support?

Are there other ways we can support you and your family?

Once completed, please return this form to the Minister when you meet next. If we can be of further help, please do not hesitate to contact us.
