

Walk the Walk for the Compass

Our clients' needs have never been greater!

Every dollar we raise will help to buy food for our weekly food bank or support our programs that help people in need.

This year, more than ever, we need your support to make our annual fundraising event a success. Due to COVID-19, we are all walking our own walks, but are together in our support of The Compass. We are building kits with everything you need including your Compass shirt!

Getting involved is easy. Please register so we know you're walking. Canada Helps will give you the means to easily share through social media and email to help you reach sponsors. We also have a pledge sheet available for download if you prefer to do it the old fashioned way.

If you're not interested in walking, you can sponsor another walker, or help us spread the word so more people know about the event.

Event date: September 13th - 19th, 2020

**Register early so you can get sponsors
for your walk!**
